**Salary: \$60,000 plus vacation and holidays**

A little bit about South Side:

South Side Church of Christ is a growing, spirit led, instrumental church in Fayette County (South Central Ohio). While we have a rural aspect to our location and carry the small-town charm, we are within forty-five minutes' drive time of three major Ohio cities (Cincinnati, Dayton, and Columbus). We draw families from all over Fayette County that currently sits at a population of approximately 28,000. We have the blessing of a large worship center, an event center, and ample multi-function rooms with space to grow in a two-story facility.

We are a multi-generational church of between 250-300 in attendance on Sunday mornings. We enjoy a strong and creative worship style, that is about giving glory to the Lord. We have musical volunteers from all backgrounds and age groups, teen through adult. We have a good reputation within our local community and the surrounding area. Our reach and our desire to reach is ever growing within Fayette County.

South Side exists to know Christ, grow in Christ, and go for Christ.
